

Creating Tomorrow Academy Trust

Chair of Trust Report

Dear families

As we come to the end of 2018 I am taking the opportunity to update Pupils, Parents and Staff on what has been happening within Creating Tomorrow Academy Trust this year.

Kevin Latham is CEO of the Trust and Executive Head across the Schools. He has developed in this role and has been both supportive and challenging to the Senior Leadership Teams in the Academies within the Trust.

During the year Tracy and Joy have relished in their new roles as Head of School at Isebrook and Wren Spinney. With support from Kevin and collaborative working across both Schools new systems have been introduced to enhance the experiences of the pupils, to encourage best practice and to support the wellbeing of the Staff.

Wren Spinney Academy celebrated the expansion of its premises and the marked improvement of the environment for the pupils. With help from Creating Tomorrow Trust a repeat CIF bid will be submitted to improve the security in the school grounds, with new fencing and gates.

Isebrook Academy celebrated the opening of their fantastic new wing, this will give space for the school to increase in numbers, and make a difference for more children in our Community.

The Trustees and Members of the Trust, have taken time to work with the Creating Tomorrow Trust Senior Leadership Team. This includes Kevin as CEO, (Chief Executive Officer) Esther as COO (Chief Operations Officer), Anthea as CFO (Chief Finance Officer) and the Heads of Schools. As a team we have been developing the strategic plan for the Trust and individual schools.

Our Mission Statement

Creating Tomorrow MAT is an inclusive community of learners building the skills and confidence to succeed in a changing world.

The Vision

Is to create sustainable, aspirational learning communities for our children and young people.

These statements are at the forefront of all decisions taken, and we always strive to make best use of the expertise in the schools and the money available to give the best education and experience for all our pupils and staff.

We strive to challenge on pupils progression and outcomes in the schools and remain a critical friend to ensure robust Governance within the MAT and Individual schools.

In October we welcomed Daventry Hill School to the Trust. This process has been challenging, however in the short time the school has been part of Creating Tomorrow Academy Trust strong relationships have been made and the education and experience for the pupils in this school has been enhanced by the support and experience of Creating Tomorrow staff.

I wish you all a Merry Christmas and look forward to an exciting 2019.

J Payne
Chair of Creating Tomorrow MAT
